

The 2026 San Antonio Liver Cancer Symposium® (SALCS) Call for Abstracts is now open!

The symposium will be held on **Thursday, October 8, and Friday, October 9, 2026**, at **The Westin San Antonio North** in San Antonio, Texas.

Researchers, clinicians, trainees, and healthcare professionals are invited to submit abstracts focused on liver tumors in the following categories:

- Cancer Epidemiology
- Diagnostics (including Biomarkers and Precision Medicine)
- Patient-Reported Outcomes and Real-World Evidence
- Pediatrics
- Prevention and Screening
- Surgical Management
- Survivorship
- Therapeutics (including Interventional, Radiation, and Systemic Therapies)
- Translational Research
- Tumor Biology, Biomarkers, and Pathology
- Other

Abstract Submission Guidelines

- Abstracts must include all authors and their institutional affiliations.
- Disclosure information for all authors must be provided.
- Identify the lead author with an asterisk (*).
- Awards will be presented, and the top three posters will be selected for oral presentation during the symposium on Friday, October 9, 2026.
- Up to three references may be included. References should be cited numerically within the text and listed under "References Cited," including article titles.
- Abbreviations may be used provided they are defined upon first use.
- The abstract title and body are limited to 3,400 characters (excluding spaces).
- Tables count as 800 characters toward the character limit.
- A maximum of one table and one graph may be included.
- The author and institution list does not count toward the character limit.

- The lead/primary author must be registered for the symposium and present to display the poster.
- Presenters of accepted abstracts will be notified via email no later than **Friday, September 11, 2026**.
- Presenters are responsible for producing and printing their posters. Detailed poster instructions will be provided upon acceptance.
- All accepted posters will be presented during the evening poster session on **Friday, October 9, 2026**.

Important Dates
